# ABOUT THE APPLICATION

CCCApply, the statewide online admission application center for California Community Colleges, combines individual college identity and processing with system wide consistency, compliance, and support.

The suite of admission application forms at CCCApply.org—a common Standard Application, a Spanish Application, an International Application, and a BOG Fee Waiver Application—streamlines the admission application process for students and colleges alike.

Since its introduction in the fall of 2001, CCCApply has become the choice of more than 100 of the California Community Colleges. Colleges using CCCApply typically receive 80% to 100% of their admission applications online.

You can access the application directly, using this link:

<https://www.cccapply.org/>

1. Once a student applies to any 1 of the 4 campuses within the Los Rios District, you CANNOT submit another application for a LRCCD campus within the same term. If you wish to attend another campus for a term you've already applied for, you can "term activate" another campus within LRCCD through their eServices account.
2. Students DO NOT need to submit a new application if you are continuing from term to term.
3. Students who skip/do not enroll in a main term (Spring or Fall) will have to submit a NEW CCCApply application in order to enroll in courses.
4. High school seniors who plan to enroll after graduation and have taken an Advanced Education course MUST submit a NEW application to enroll as a first-time student entering college
5. Students CANNOT create a new account if they have forgotten their login information. They must retrieve their login information by clicking on the "Forgot?" link.

## Profile

### Previous Name

Do you have a **previous legal name** that was used on legal documents or education transcripts?

Yes  No

### Social Security Number

The Social Security Number (SSN) or Taxpayer Identification Number (TIN/iTIN) is used by the college as a means of matching student records, facilitating federal financial aid, and reporting tax-related information to the Internal Revenue System (IRS). However, it is not required for admission.

[Why am I being asked for my social security number?](#)

Do you have a social security number or taxpayer identification number?

- Yes, I have a social security number or taxpayer identification number.
- No, I do not have a social security number or taxpayer identification number, or I decline to provide one at this time.

If you submitted an application without a SSN or ITIN, you will not receive your W-ID number (Los Rios ID Number) automatically. You must wait 10 days for Admissions & Records office to process your application. If you do not receive your W-ID Number after 10 days, please contact admissions and records or your outreach liaison

If you do not have an SSN, DACA SSN or ITIN or if you do not know your SSN you can decline to include it at this time.

You will have to select that you 'Decline to provide one at this time' and can return to the account to edit at a later time IF you do not submit the application.

If you have an SSN you may enter it here. If you have a DACA SSN or ITIN you can enter it in the designated spaces

# CCCAPPLY APPLICATION – ACCOUNT (SSN) INFO

## What is an ITIN?

An Individual Taxpayer Identification Number (ITIN) is a tax processing number issued by the U.S. Internal Revenue Service (IRS). The IRS issues ITINs to individuals who are not eligible to obtain a Social Security number (SSN). These taxpayers include unauthorized immigrants as well as lawfully present individuals, such as certain survivors of domestic violence, Cuban and Haitian entrants, and spouses and children of individuals with employment visas. In 2010, 3.02 million ITIN federal tax returns were filed.

## Why does the federal government issue ITINs?

Federal law requires individuals with U.S. income, regardless of their immigration status, to pay U.S. taxes. The IRS provides ITINs to individuals ineligible for an SSN in order to improve compliance with tax laws.

## What is an ITIN used for?

ITINs are for paying federal taxes and opening an interest-bearing bank account. An ITIN does not authorize an individual to work in the U.S. or provide eligibility for Social Security benefits.
